

G IS FOR... **GRACE LEE BOGGS**

Grace Lee Boggs was an activist,
author, feminist, and friend.
She planted gardens on lands
forgotten.
She advocated for better schooling
for the young,
improved living conditions for her
community,
and a bigger world for all of us.
She fought for the people and lands
around her,
because she loved them.
She saw the world for every beautiful,
difficult, and complicated piece
it held.

*"You cannot change any society
unless you take responsibility for it,
unless you see yourself as belonging
to it responsible for changing it."*
