# INTERSECTIONALITY

I am more than one  
I am more than two  
I am more than three  
I am so much more  
than who you see

I am a rainbow of identities  
I am a skyful of possibilities

I escape your binaries  
I push beyond the boundaries

I am a beautiful anomaly  
I am an infinite collectivity

I am a Phenomenon of  
Thriving and Striving  
Living and Loving

I am Mystery  
I am Eternity

I am Power  
I am Meaning

I am more than one  
I am more than two  
I am more than three  
I am so much more  
than who you see
